

Seamus Hoyne
Sustainable Development Research Institute (SDRI)
Faculty of Flexible and Work Based Learning
Type of address: Postal address.
Nenagh Rd, Thurles
Co. Tipperary
Ireland

Qualifications

Masters, Renewable Energy, University of Limerick
1993 → 1996
Award Date: 1 Sep 1996
Bachelors Degree, Mechanical Engineering, University of Limerick
1989 → 1993
Award Date: 1 Sep 1993
Masters, Energy Management, Ulster University
2002 → 2005

Employment

Sustainable Development Research Institute (SDRI)
Faculty of Applied Sciences and Technology
Co. Tipperary, Ireland
12 Apr 2021 → present

Faculty of Flexible and Work Based Learning

Limerick, Ireland
1 Jan 2000 → present

Secretary General

European Federation of Agencies and Regions for Energy and the Environment (FEDARENE)
Brussels, Belgium
1 Jun 2018 → present

Chair, Board of Directors

Tipperary Energy Agency CLG
Ireland
28 Feb 2017 → present

Research outputs

Near-surface controls on peatland hydrology: Implications for rapid adaptation and enhanced resilience to disturbances
Tilak, A. S., Hoyne, S. & Kettridge, N., Sep 2022, In: Ecohydrology. 15, 6, e2445.

Quantifying moss moisture stresses in undrained, afforested and rewetted peatlands located in Republic of Ireland using laboratory measurements and computer modelling

Tilak, A. S., Byrne, K. A., Jovani-Sancho, A. J., Saunders, M. & Hoyne, S., Jul 2022, In: Ecohydrology. 15, 5, e2374.

Sustainable measurement indicators to assess impacts of climate change: Implications for the New Green Deal Era
Barry, D. & Hoyne, S., Aug 2021, In: Current Opinion in Environmental Science and Health. 22, 100259.

Evaluation of the Space Heating Calculations within the Irish Dwelling Energy Assessment Procedure Using Sensor Measurements from Residential Homes

Hunter, G., Hoyne, S. & Noonan, L., 1 Mar 2017, In: Energy Procedia. 111, p. 181-194 14 p.
